EverGen Infrastructure Corp. Announces Approval of Normal Course Issuer Bid by the TSX Venture Exchange

VANCOUVER, BRITISH COLUMBIA, June 8, 2022, - [EverGen Infrastructure Corp.](#) ("EverGen" or the "Company") (TSXV: EVGN) (OTCQB: EVGIF), announces that the TSX Venture Exchange ("TSXV") has approved the Company's Normal Course Issuer Bid ("NCIB"), which will allow EverGen to purchase issued and outstanding common shares of EverGen ("Common Shares") through the facilities of the TSXV during a 12 month period, commencing on June 8, 2022 and ending on June 7, 2023, or on such earlier date as EverGen may complete its purchases pursuant to the NCIB or as it may otherwise determine.

The Company has implemented the NCIB because it believes that, from time to time, the market price of the Common Shares may not fully reflect the underlying value of the Company's business and its future prospects. Accordingly, the Company believes that having the ability to purchase the Common Shares using cash flow will be in the interest of the Company and represents an opportunity to enhance shareholder value. No previous purchases of Common Shares by EverGen pursuant to an NCIB have been completed.

Under the NCIB, EverGen may acquire up to an aggregate of 668,370 Common Shares over the 12 month period, representing approximately 5% of the 13,367,392 issued and outstanding Common Shares as of May 15, 2022. Additionally, under the NCIB, EverGen may not acquire more than 2% of the issued and outstanding Common Shares in any 30 day period.

Purchases subject to this NCIB will be carried out pursuant to open market transactions through the facilities of the TSXV by Clarus Securities Inc., a Member as defined by the TSXV and its policies, on behalf of EverGen at the prevailing market price of the Common Shares at the time of purchase. All Common Shares purchased by EverGen under the NCIB will be returned to treasury and cancelled.
