

Press Release

EverGen Infrastructure Corp. Appoints New Chief Financial Officer

VANCOUVER, BRITISH COLUMBIA, October 6, 2022 – [EverGen Infrastructure Corp.](https://www.evergeninfra.com) (“EverGen” or the “Company”) (TSXV: EVGN) (OTCQX: EVGIF), is pleased to announce the appointment of Sean Hennessy as Chief Financial Officer (“CFO”), effective immediately. Prior to his appointment as CFO, Sean held the position of Vice President, Finance & Controller.

“We are excited to add Sean to our executive team,” said Chase Edgelow, CEO of EverGen. “Sean brings extensive financial and strategic experience to EverGen. He has been deeply involved with EverGen since the beginning of this year and this move is a seamless transition to bring our CFO role in-house. We would like to thank Natasha Monk, our interim CFO and partner at Affirm LLP, who continue to work with and support EverGen as the Company’s primary accounting & tax advisor”

Sean is a chartered accountant with over 15 years of finance and accounting experience in the clean energy and infrastructure industries, which includes ten years at a global energy infrastructure company owned by Brookfield Business Partners. Sean obtained his Chartered Accountant designation while at PwC New Zealand, where he worked in both the tax and assurance practices, before transitioning to Canada. He is experienced with financial reporting for public companies under both IFRS and US GAAP, on both the New York Stock Exchange and the Toronto Stock Exchange. Sean completed a Bachelor of Commerce and Administration (Accounting, Finance and Commercial Law) degree and a Bachelor of Science (Mathematics) degree at Victoria University of Wellington.

About EverGen Infrastructure Corp.

EverGen, Canada’s Renewable Natural Gas Infrastructure Platform, is combating climate change and helping communities contribute to a sustainable future. Headquartered on the West Coast of Canada, EverGen is an established independent renewable energy producer which acquires, develops, builds, owns and operates a portfolio of Renewable Natural Gas, waste to energy, and related infrastructure projects. EverGen is focused on Canada, with continued growth expected across other regions in North America and beyond.
