Press Release

EverGen Infrastructure Announces Record RNG Production for Q3 2026

VANCOUVER, BRITISH COLUMBIA, October 22, 2026 – EverGen Infrastructure Corp. ("EverGen" or the "Company") (TSXV: EVGN) (OTCQB: EVGIF) is pleased to announce production results for the quarter ending September 30, 2026.

Quarterly RNG Production Update

The Company delivered its highest quarterly Renewable Natural Gas ("RNG") production in Q3 2026.

- Corporate RNG production in Q3 2026: 56,064 GJ
- 2.5% increase compared with Q2 2026
- 8.3% increase compared with Q3 2025

"Our strongest quarterly production to date reflects the continued consistency and momentum across our RNG portfolio, with production up 8% year over year," said Chase Edgelow, CEO of EverGen. "We remain focused on operational excellence at our core operating assets as we pursue organic growth and leverage our platform to create long-term value for our shareholders."

About EverGen Infrastructure Corp.

EverGen, Canada's Renewable Natural Gas Infrastructure Platform, is combating climate change and helping communities contribute to a sustainable future. Headquartered on the West Coast of Canada, EverGen is an established independent renewable energy producer which acquires, develops, builds, owns, and operates a portfolio of Renewable Natural Gas, waste-to-energy, and related infrastructure projects. EverGen is focused on Canada, with continued growth expected across other regions in North America and beyond.

Forward-Looking Information

This news release contains certain forward-looking statements and/or forward-looking information (collectively, "forward-looking statements") within the meaning of applicable securities laws. When used in this release, such words as "would", "will", "anticipates", "believes", "explores", "expects" and similar expressions, as they relate to EverGen, or its management, are intended to identify such forward-looking statements. More particularly, and without limitation, this press release contains forward-looking statements and information concerning the Company's expectations regarding revenue growth and future financial or operating performance. Such forward-looking statements reflect the current views of EverGen with respect to future events, and are subject to certain risks, uncertainties and assumptions. Many factors could cause EverGen's actual results, performance or achievements to be materially different from any expected future results, performance or achievement that may

be expressed or implied by such forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do, what benefits EverGen will derive therefrom, and accordingly, readers are cautioned not to put undue reliance on the forward-looking statements contained in this press release.

The Company cautions that these forward-looking statements are subject to numerous risks and uncertainties, including but not limited to: the impact of general economic conditions in Canada, including the current inflationary environment; industry conditions including changes in laws and regulations and/or adoption of new environmental laws and regulations and changes in how they are interpreted and enforced, in Canada; volatility of prices for energy commodities; change in demand for clean energy to be offered by EverGen; competition; lack of availability of qualified personnel; obtaining required approvals of regulatory authorities in Canada; ability to access sufficient capital from internal and external sources; optimization and expansion of organic waste processing facilities and RNG feedstock; the realization of cost savings through synergies and efficiencies expected to be realized from the Company's completed acquisitions; the sufficiency of EverGen's liquidity to fund operations and to comply with covenants under its credit facility; continued growth through strategic acquisitions and consolidation opportunities; continued growth of the feedstock opportunity from municipal and commercial sources. Forward-looking statements included in this news release should not be read as guarantees of future performance or results. The forward-looking statements contained in this release are made as of the date of this release, and except as may be expressly required by applicable law, EverGen disclaims any intent, obligation or undertaking to publicly release any updates or revisions to any forward-looking statements contained herein whether as a result of new information, future events or results or otherwise. This news release shall not constitute an offer to sell or the solicitation of an offer to buy the securities in any jurisdiction.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
