

# Health And Safety Policy

## Unreserved Commitment to Safety

EverGen Infrastructure is committed to maintaining a high level of health and safety standards in all aspects of its operations. Each employee is responsible for incorporating this commitment into their respective daily work activities and actions. All of the Company's policies, procedures and best practices have been developed based on the following guiding principals:

## Health and Safety Principles

- We will comply with all applicable health and safety laws and regulations.
- We will strive to eliminate any hazards which may result in property damage or injury.
- We are committed to providing, promoting and maintaining a safe and healthy environment for our employees, customers and guests.
- We will engage our employees to create policies and procedures that promote health and safety excellence and ensure that our employees perform their duties in accordance with those established policies and procedures.
- We will provide employees with the training, information and tools required to safely perform their duties.
- We will review and improve our safety performance on a continuous basis.

Chase Edgelow – CEO

Mishca Zajtmann – President
